Instructor: Richard Siefring
Office: 608 Warren Weaver Hall
Office hours: Tuesday 2:00-4:00 pm and by appointment
Phone: (212)998-3138
E-mail: siefring@cims.nyu.edu
Website: http://www.math.nyu.edu/~siefring/calcII/

**Exams**

There will be two in-class midterm exams, and a cumulative final exam. The *probable* dates of the midterms will be Wednesday, February 25, and Wednesday, April 7. The date of the final exam is Monday, May 10, 12:00-1:50 pm, location TBA.

**Homework**

Homework will be assigned each week and collected in class the following week. Late homework will not be accepted; however, your two lowest homework grades will not be counted. You are encouraged to discuss the homework assignments with your classmates, but the assignments should be written up individually. You are also encouraged to come to my office hours to discuss any material from the homework, or the lectures.

**Grading**

Your final grade will be computed from your homework average, two midterms, and the final according to the following proportions:

- Homework: 20%
- Midterm I: 25%
- Midterm II: 25%
- Final: 30%.
